

The Workforce Investment and Opportunity Act improves the quality and labor market relevance of workforce investment, education, and economic development efforts to provide America's workers with the skills and credentials necessary to secure and advance in employment with family-sustaining wages and to provide America's employers with the skilled workers they need to succeed in a global economy. Region 4 has exceeded these goals.

WIOA Performance Measures for Program Year 2018 (July 1, 2018 thru June 30, 2019)					
	Employed 2nd Qtr. ¹	Employed 4th Qtr. ²	Credentia ³	Median Earnings ⁴	Measurable Skills Gain
Actual	82.3	79.9	79.4	\$6,649	71.4
